

Department of => SANSKRIT

About the Department

Year of Establishment: 1968

History of the Department:

From the early dawn of our College, SANSKRIT DEPARTMENT is one of the contributory parts for its academic journey.

From the shelf of College's record, it had conceived its first curriculum having General Section affiliated to the University of Calcutta.

From the very beginning of said course, Honours Section came into pipeline after a while.

From the desk of pioneer, Prof. Sarojendranath Bhanja played his masterstroke to inaugurate the said department in the year **1967**.

From then, conservative and educated families of North Calcutta and its suburban areas wholeheartedly welcomed this department for their daughters' education.

From that point of view, the College Authority debuted one after one updated system of teaching-learning and job orientation to nurture our beloved students.

From the forms of feedback, it is our pride that, said department received the guard of honour as **Department of Sanskrit: Response of the Responsibility.**
