

Best Practice -1

1. Title of the Practice:

NATIONAL CADET CORPS (MAHARANI KASISWARI COLLEGE).

19th Bengal Battalion of the Eastern Command at Fort William.

2. Objectives of the Practice

1. To reach out to the maximum youth through various institutions
2. To make NCC an important part of the society
3. To teach positive thinking and attitude
4. To become a main source of National Integration by making NCC as one of the greatest and strong united forces of our nation irrespective of any caste, creed or religion or region.

The Context: Since its inception on 24th July 2004 under the 19th Bengal Battalion of the Eastern Command at Fort William, the N.C.C. unit has been enlisting female students of the college as cadets to provide them with a holistic view of education. Maharani Kasiswari College has had a vision and mission of creating a pool of female members of society who have understood their public role as social workers and as active nation builders. The N.C.C. unit of the college continues to bring these goals to fruition.

3. The Practice:

A list of activities of the N.C.C. unit of Maharani Kasiswari College is attached herewith.

4. Evidence of Success:

- N.C.C. cadets successfully cleared their "B" Certificate Examination out of which four were awarded "A" grade
 - The N.C.C. unit prepared to celebrate the 75th anniversary of India's independence in 2022 and actively participated in the preparation for AZADI KI AMRIT MAHASTAV. It registered for participation in this pan-India celebration on 03.08.2021.
 - Cadets virtually participated in the nationwide flagship programme PUNEET SAGAR ABHIYAN launched by the NCC in December 2021 to remove plastic waste from seashores and beaches and other waterbodies. They showed their solidarity by tweeting and retweeting and mobilizing public opinion on social media.
 - As a part of the Swachh Bharat Mission, cadets participated in road-cleaning and SSCD activities on 14.12.2021.
 - Under the successful leadership of Lieutenant Shukla Sarkar, the college N.C.C. unit has conducted various programmes including blood donation camps, release of YUVA SHAKTI NEWSLETTER, OBSERVATION OF INTERNATIONAL YOGA DAY through a series of posters, painting and yoga competitions, seminars.
- :-

5. Problems Encountered and Resources Required:

- With the Pandemic situation continuing, institutional closure created problems for mobilizing cadets for various programmes conducted by the unit.
- Limited availability of transport between July and December 2021 (pandemic period) made logistics a major issue as cadets found it difficult to travel to programme venues.
- Inadequacy of funds disbursed for programmes makes it difficult for the unit to provide certain amenities such as tiffin during programmes. The college covers the deficit but there is a continuing fund-crunch.

In view of these hurdles, the resources required include;

- Adequate and regular disbursement of funds to meet necessary expenditure.
- Extension of infrastructure and building space to conduct programmes on a larger scale.
