# **LIBRARY AUTOMATION**

#### 4.2.1 Library is automated using Integrated Library Management System (ILMS)

Name of ILMS Software	Nature of Automation	Version	Year of Automation
Koha	Cataloguing, Circulation, OPAC and Report Modules	22.11.02	2018

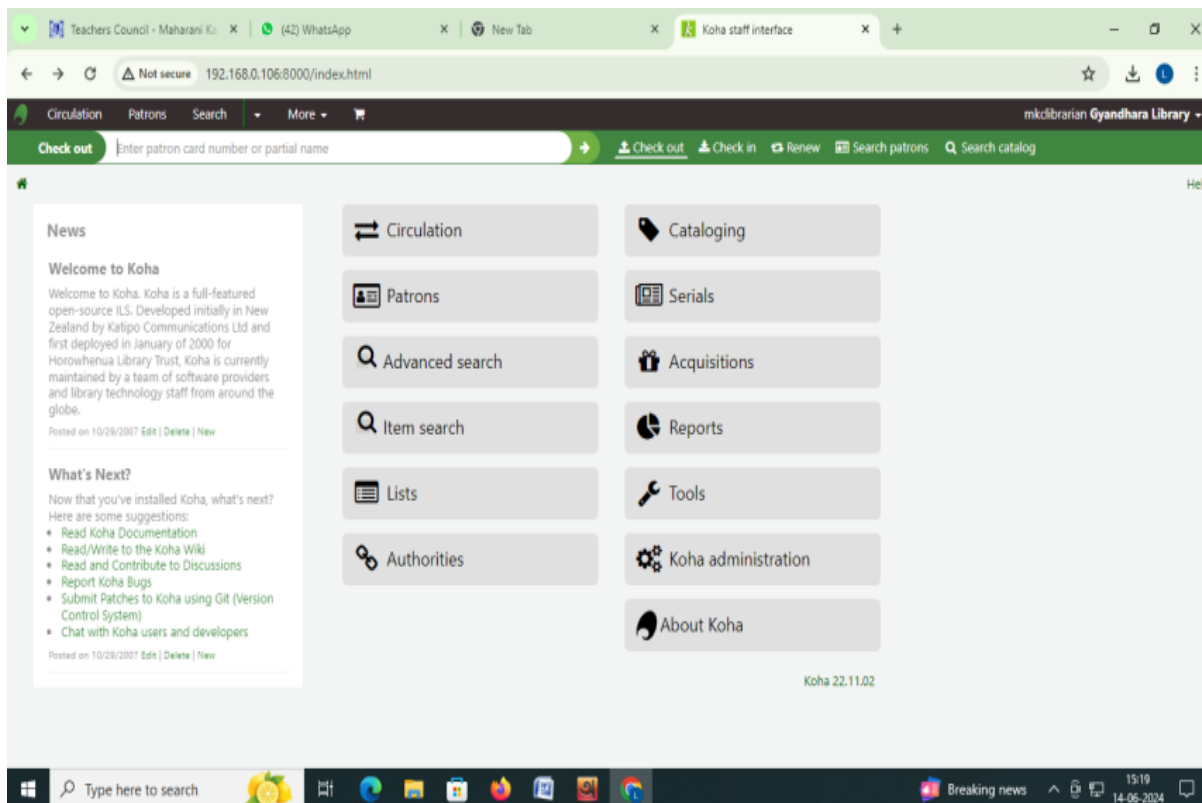

Koha is a web-enabled ILS, with a SQL database (MySQL preferred) back end with cataloguing data stored in MARC and accessible via Z39.50. KOHA’s impressive feature continues to evolve and expand to meet the needs of its sponsoring libraries.

Koha 3.0 was released introducing some amazing new features:

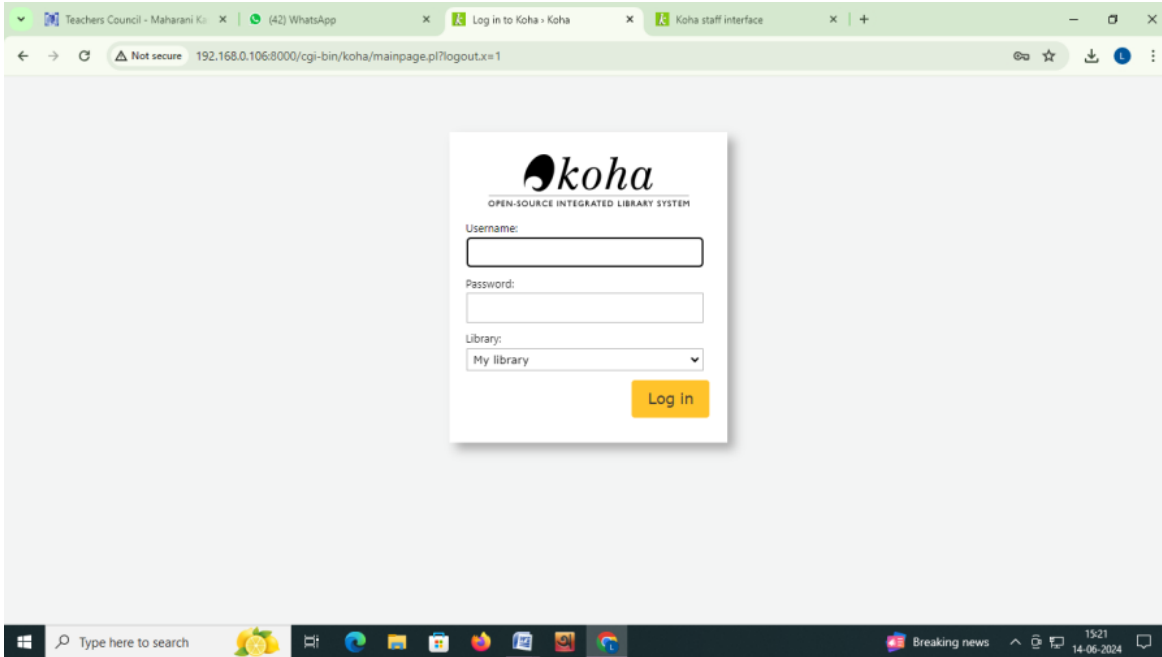

- Zebra search engine
- Tagging in the OPAC
- label creator
- Fully Web-centric in architecture
- Supports Unicode for processing multi script bibliographic records
- Branch library management

# CIRCULATION INTERFACE

The screenshot displays the Koha library system's circulation interface. The browser address bar shows the URL `192.168.0.106:8000/cgi-bin/koha/members/member.pl`. The navigation menu includes 'Circulation', 'Patrons', 'Search', and 'More'. The current page is 'Search patrons' with the search term 'LIBRARY PHILOSOPHY' entered. The interface includes a search sidebar on the left with filters for search field (Standard), search type (Starts with), category (Any), and library (Any). The main content area shows a search results table with columns: Card, Name, Date of birth, Library, Category, Expires on, Checkouts, Fines, and Notes. The table is currently empty, displaying 'No matching records found' and 'No entries to show (filtered from 4,228 total entries)'. The bottom of the screen shows a Windows taskbar with the system tray indicating a temperature of 37°C and a date of 14-06-2024.

**BARCODE**

The screenshot shows the homepage of the Koha online catalog for Maharani Kasiswari College Library. The browser address bar shows the URL 192.168.0.106:8001. The page features the Koha logo, the library name "MAHARANI KASISWARI COLLEGE LIBRARY", and the text "ONLINE PUBLIC ACCESS CATALOGUE". A search bar is present with a dropdown menu set to "Library catalog". Below the search bar, there are links for "Advanced search", "Authority search", "Tag cloud", and "Libraries". A "Home" button is also visible. On the left side, there are links to "Visit College Website", "National Knowledge Network", and "National Digital Library of India". The main content area has a heading "About the Library" and lists "I. Central Library (for Literature and Arts books)" and "II. GYANDHARA (for Science and Commerce books)". The Windows taskbar at the bottom shows the system tray with a temperature of 35°C, rain showers, and the date 20-06-2024.

The screenshot shows the search results page for "Library and Information Science" in the Koha online catalog. The browser address bar shows the URL 192.168.0.106:8001/cgi-bin/koha/opac-search.pl?idx=su&q=Library+and+Information+Science&weight\_search=1. The page displays "Your search returned 101 results." and a list of search results. The first result is "Sadharan granthagar ain: ekti tulanamulak alochona" by Bhattacharya, Aneeta, published in 2007. The second result is "Library automation through Koha" by Mukhopadhyay, Parthasarathi, published in 2008. The page includes a "Refine your search" sidebar on the left with options like "Availability", "Authors", "Collections", "Reference", and "Holding libraries". The Windows taskbar at the bottom shows the system tray with a temperature of 35°C, rain showers, and the date 20-06-2024.

# **LEARNING MANAGEMENT SYSTEM**

## Learning Management System

To improve the process of learning new skills and increase the speed and reach required to deliver well-structured training, companies should consider an LMS. But, if you are contemplating deploying one, you will no doubt need to research what the benefits of a Learning Management System are. Essentially, an LMS is a software application for the administration, documentation, tracking, reporting, and delivery of educational courses and training programs. But to make the right choice on training delivery for your organisation, it's important to understand the advantages an LMS brings to the table.

Keeping to match the pace of Information Technology, the department of Library has implemented Moodle as Learning Management System for effective delivery learning materials as well as for evaluation purpose.

Link of Moodle LMS is – <https://moocs.mkclibrary.ac.in/>

The screenshot displays the Moodle LMS interface for Maharani Kasiswari College. The main content area is a grid of course tiles. The top row includes 'biography', 'business tourism (mkcl)', and 'Cataloguing I'. The middle row features 'Library and Information Studies | LS-A-CC-4-9-TH/TU Cataloguing II', 'Library and Information Studies | LS-A-CC-5-11-TH/TU Classification I', and 'Library and Information Studies | LS-A-CC-5-12-TH/TU Classification II'. The bottom row shows 'Library and Information Studies | LS-A-DSE-A-5-2-TH/TU Community Library', 'Library and Information Studies | LS-A-CC-6-14-TH/P Computer Application II', and 'Library and Information Studies | LS-A-CC-4-10-TH/TU Computer Applications I'. The right sidebar contains widgets for 'No upcoming activities due', 'Private files' (showing 'UG-Library.pdf'), 'Online users' (1 online user: Shyam Prasad Ram), 'Latest badges' (none displayed), and a 'Calendar' for June 2024.

## **LIBRARY EVENTS**

## **Faculty development program**

With the changing environment of delivery mechanism of education, newly invented technologies are being added into education sectors which creates lots of opportunities for the educationists. The LMS can be implemented through different software framework. Among the different frameworks, Modular Object-Oriented Dynamic Learning Environment (MOODLE) is a Web-based platform for Teaching - Learning / Training programs. MOODLE allows teachers to organize and store course content in a secure web-based environment in-which their students can access from anywhere at any time. The Library department organized two Faculty Development Program .

**About The Webinar**

Pandemic situation in recent times wrecked havoc in the public life throughout the globe and the people are battling an invisible war in many fronts. Researchers across the globe are also toiling hard to achieve research breakthroughs in different fields. COVID-19 has itself jeopardised public health system, public education system, transport system and world economy at large. After the breakout of novel corona virus, researchers are producing tons of research papers and research data in different databases. Such a huge production of research also posing different types of challenges in information services for the scientists. As per citation data from Web of Science, we could perceive that, Medicine, Virology, Genetics, Mathematics, Statistics, Economics, International Relations and Education are the most contributing subject domains. The academicians also need to know the research trends and different open challenges keeping in view of this extraordinary situation during last few months. It's needless to say that, this extraordinary situation would influence research for the next 10 years at least. This webinar would try to get a vision of the research perspectives, understand the nature of challenges, nature of the challenges of information/data sharing, scope of information services and others. We highly solicit your active participation to make this event successful.

**No Registration Fee  
E-Certificate will be provided**

**Summary of the Talk**

**Dr. Bidyarthi Dutta** will deliver lecture on the scientometric analysis of researches on COVID-19. His talk would cover the progress of researches in different domains, country wise contributions, interdisciplinary nature of researches, different kinds of scholarly databases, different research indicators and other related areas.

**Dr. Sk Sarif Hassan** will deliver lecture on the interdisciplinary nature of research, contributions from India, his research findings on corona virus in Indian diaspora, issues and challenges on Information Services w.r.t. scientific outputs and future multifaceted research directions pertaining to COVID-19. He is currently working genomic patterns of COVID-19 and different areas of Mathematical Biology. His latest paper published in Genomics journal has opened new dimension of research on COVID-19.

**Seminar**  
on  
Trends of LIS Education  
and Profession :  
**Retrospect and Prospects**

Organized By  
**DEPARTMENT OF LIBRARY**  
Maharani Kasiswari College, Kolkata  
Date:- 14th August, 2019

**About College :-**  
 Maharani Kasiswari College is a premier degree course college for girls with a great mission and vision. This college came into existence when in 1964, according to the direction of UGC, Manindra Chandra College was split up into three units - Morning, Day and Evening, with separate affiliations under CU. The Morning section, meant exclusively for Girl students, started functioning from 2 December, 1964 and was named as Maharani Kasiswari College, to perpetuate the memory of Maharani Kasiswari, who once entered this house as a 7 year old bride. Since its inception, the college believes in the thought that Education Empowers Women - psychologically, economically, politically and socially at the level of Family, Community, Society, National and International. Right now, the college is running more than 14 honours courses, one vocational course. From last session, two new honours courses have been introduced namely as – Computer Science (H) and B.A./B.Sc.(H) in Library and Information Studies.

**Objectives of the seminar are:**

- To know the requirement of LIS education.
- To discuss the various aspects of LIS curriculum.
- Analyzed social and professional demand from the future librarian.
- To discuss the different professional aspect of LIS

**Theme and sub theme of the seminar:**

**1ST THEME:**  
**LIS EDUCATION**  
**Sub-theme:**  
 Future Demand of LIS Education  
 Trends and Challenge in LIS course  
 LIS Courses in other countries  
 Current Education Policy in LIS  
 Evaluation of Curriculum Development  
 Comparative Study of LIS Education in India & other countries.

**2ND THEME:**  
**PROFESSIONAL ASPECTS OF LIS**  
**Sub-theme:**  
 Professional Development  
 Professional Hazards  
 Changing Job Orientation in LIS  
 Librariansries  
 Comparative Study of Librarianship according to Job Profile.

**3RD THEME:**  
**Social Contribution of Library:**  
**Patrons' Perspectives**  
**SUB-THEME:**  
 • Importance of Library Services  
 • Cultural Heritage  
 • Library as Makers' Space  
 • Information Needs

**AUTHOR'S GUIDELINES**  
 The text of paper should be written in MS word format with A4 size, 1.25 margins (Top, Bottom, Left & Right), 12 font size, Times New Roman, 1.5 line space. The Paper must be written in English and should not exceed 5000 (maximum). The abstract of 300 words references is APA Style of referencing, 6th edition.

**Concept Note :-**  
 The education of Library and Information Science is undergoing a phase of thorough transition due to fusion of ICT and allied subjects into its periphery. The scope of research in this subject is increasing due to change of technology, demands of the patrons and data science. To cope up the gap with research trend and the current curriculum, it is need of the hour to restructure the entire LIS curriculum.

### **Conclusion :**

The National Seminar on “Trends of LIS Education and Profession : Retrospect and Prospects” held on 14<sup>th</sup> August,2019 at Maharani Kasiswari College under the leadership and inspiration of the Principal Dr. Sima Chakrabarti. Dept. of Library took this initiative and eventually this seminar became the first ever national seminar of the college since its inception. The department is highly obliged to the college authority for giving every support to organize this event. Total 73 participants from different corners of the state as well as from Jharkhand participated to this scholarly event and made it successful. Abstract volume was published before starting the technical session by Dr. Arun Kumar Chakraborty, Dr. Parthasarathi Mukhopadhyay, Dr. Sima Chakrabarti and Dr. Arabinda Maity. Dr. Arun Chakraborty gave his inaugural speech keeping in line with the theme of the seminar. Dr. Parthasarathi Mukhopadhyay delivered his keynote speech on different library services, scope of MOOCs and trending services from the library professionals. The technical sessions started with paper presentations by the participants in two rooms and presentations were divided in two sessions chaired by Dr. Biplab Chakraborty and Dr. Bidyarthi Dutta. After the presentation, the seminar was concluded by the vote of thanks by Anindya Basu, Convenor of the seminar and Dr. Tapan Kumar Chand, IQAC Co-ordinator.
