### Key Indicator - 7.2 Best Practices

Metric No.	
7.2.1 Q1M	<p><b>Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.</b></p> <p><b>1. Title of the Practice:</b></p> <p>NATIONAL CADET CORPS (MAHARANI KASISWARI COLLEGE). 19<sup>th</sup> Bengal Battalion of the Eastern Command at Fort William.</p> <p><b>2. Objectives of the Practice</b></p> <ol style="list-style-type: none"> <li>1. To reach out to the maximum youth through various institution</li> <li>2. To make NCC an important part of the society</li> <li>3. To teach positive thinking and attitude</li> <li>4. To become a main source of National Integration by making NCC as one of the greatest and strong united forces of our nation irrespective of any caste, creed or religion or region.</li> </ol> <p>2. <b>The Context:</b> Since its inception on 24<sup>th</sup> July 2004 under the 19<sup>th</sup> Bengal Battalion of the Eastern Command at Fort William, the N.C.C. unit has been enlisting female students of the college as cadets to provide them with a holistic view of education. Maharani Kasiswari College has had a vision and mission of creating a pool of female members of society who have understood their public role as social workers and as active nation builders. The N.C.C. unit of the college continue to bring these goals to fruition.</p> <p><b>3. The Practice:</b></p> <p>A list of activities of the N.C.C. unit of Maharani Kasiswari College is attached below:-</p> <div style="text-align: center;">   2021 JULY TO 2022  JUNE-1 (1).docx </div>

#### 4. Evidence of Success:

- N.C.C. cadets successfully cleared their “B” Certificate Examination out of which four were awarded “A” grade
- The N.C.C. unit prepared to celebrate the 75<sup>th</sup> anniversary of India’s independence in 2022 and actively participated in the preparation for AZADI KI AMRIT MAHOSHVA . It registered for participation in this pan -India celebration on 03.08.2021.
- Cadets virtually participated in the nationwide flagship programme PUNEET SAGAR ABHIYAN launched by the NCC IN December 2021 to remove plastic waste from seashores and beaches and other waterbodies. They showed their solidarity by tweeting and retweeting and mobilizing public opinion on social media.
- As a part of the Swachh Bharat Mission, cadets participated in road-cleaning and SSCD activities on 14.12.2021.
- Under the successful leadership of Lieutenant Shukla Sarkar, the college N.C.C. unit has conducted various programmes including blood donation camps, release of YUVA SHAKTI NEWSLETTER, OBSERVATION OF INTERNATIONAL YOGA DAY through a series of poster, painting and yoga competitions, seminars.

:-

#### 5.Problems Encountered and Resources Required:

- With the Pandemic situation continuing, institutional closure created problems for mobilizing cadets for various programmes conducted by the unit.
- Limited availability of transport between July and December 2021(pandemic period) made logistics a major issue as cadets found it difficult to travel to programme venues.
- Inadequacy of funds disbursed for programmes makes it difficult for the unit to provide certain amenities such as tiffin during programmes. The college covers the deficit but there is a continuing fund-crunch.

In view of these hurdles, the resources required includes;

- Adequate and regular disbursement of funds to meet necessary expenditure.
- Extension of infrastructure and building space to conduct programmes on a larger scale.

## Swachh Bharat Abhiyan 2023

### Objectives:

- To provide a clean environment for all.
- To suppress the spreading of disease.
- To restore the original beauty of the area.

It is said that “Cleanliness is next to Godliness”. The Government of India launched the Swachh Bharat Abhiyan on 2<sup>nd</sup> October 2014 as a cleanliness drive. The goals of cleanliness are health, beauty, absence of offensive odour and to avoid the spreading of dirt and contaminants to oneself and others.

---

Every year the NSS Unit of Maharani Kasiswari College organizes the Swachh Bharat Abhiyan campaign undertaken by the teachers of college and the student volunteers of NSS Unit to promote cleanliness and a safe environment. The college principal Dr. Sima Chakraborty takes great measures to ensure the proper functioning of the campaign.

Swachh Bharat Abhiyan is a campaign aimed to get economically developed India, a clean and disease-free India. Swachh Bharat Abhiyan was included in the school and college level programme to improve the curriculum and teaching methods while promoting hygiene practices and community ownership of water and sanitation facilities within and around the college area.

On 23<sup>rd</sup> May 2023 the NSS Department of Maharani Kasiswari College organized the Swachh Bharat Abhiyan campaign. The college took part in the campaign by taking a small step towards health improvement by providing clean environment and thereby boosting tourism as well.

As a part of the awareness campaign the college organization decided to clean the area in and around Deshbandhu Park. Many elders, children and college students visit the park located in the Shyam Bazar area. The park beholds a lot of greenery. The main aim of the programme was to create awareness among the common people of the area in general and for a holistic development of the environment in particular.

The campaign took place under the guidance of the faculties and NSS Unit members of the college. Prof. Abu Farah Hoque was in charge of the campaign and Dr. Gobinda Mondal was the NSS Programme Officer. The NSS student volunteers showed great enthusiasm in keeping the park clean.

The NSS Unit members were well informed to perform a safe and effective campaign. The students were further motivated in the noble task as there was an active participation from the teachers, they all took part in the Swachh Bharat Abhiyan Campaign. Everyone who took

part in the campaign were provided with coveralls and gloves. They were made aware of the procedures for safe removal of waste and the safety measures.

To maintain the beauty and the hygiene of the park, the student volunteers picked up the stray leaves, branches and other biodegradable wastes in separate bags to deposit them in the biodegradable waste bins. They picked up the plastic wastes, wrappers of food items, bottles in separate bag and further divided them into recyclable and non-recyclable waste. They swept the pavement in and around the park and watered the plants as well.

The campaign was a success as the park was restored to its former glory by the joint efforts of the students and teachers.
