

About 30 students had enrolled for the 2018 course. Unfortunately records cannot be produced for the said year as documents were misplaced as the administrative office was under repair and following sporadic transfers of documents to make-shift spaces. A copy of the certificate is given below.

The course in 2019, had about 30 participants but the terminal examination which had to be shifted to March 2020 in order to accommodate the new CBCS end semester examination schedule. However, the closure of educational institution in March 2020, on account of the pandemic, deferred it indefinitely. The examination was held in early 2023. Many students could not appear as they were pursuing post-graduate courses. Four students appeared for an offline examination and three qualified and were awarded certificates.

2023 saw a very successful resumption of course with about 90 participants in two batches. An orientation programme was held on 25/04/23 and classes began on that particular day.
