

**Report of the one day National Webinar**  
**Organized by the DEPARTMENT OF EDUCATION**  
**In collaboration with the Internal Quality Assurance Cell, Maharani**  
**Kasiswari college,Kolkata.**

Date :8<sup>th</sup> August 2020

Time: 5.00 P.M. onwards

**Mood :Online Platform -Zoom Pro**

**You tube link: <https://www.youtube.com/watch?v=2x2Eexf1p2Q>**

Theme of the webinar: **Reality to Virtuality: A Paradigm Shift in Education**

**Background :** The profound impact of Information and Communication Technology on Education can be considered one of the biggest achievements of the 21<sup>st</sup> century. In an age where information is easily accessible over the internet, the traditional concept of the classroom has become obsolete and expanded beyond the four walls. Today technology has been blended with new pedagogical approaches and become an essential tool to support learning. But this has not undermined the role of teachers. Instead of a storehouse of knowledge, their role has become more dynamic as the facilitator of learning. A virtual classroom has two teaching modes - synchronous and asynchronous. Both these ways of teaching are effective when used in tandem. In this era of globalization, it is necessary to change traditional ideas and embrace this new technology. The next generation is more tech savvy and the teachers too need to update themselves and utilize their creativity in motivating the students in methods attractive to them.

**Objectives :** i)To highlights the silent revolution taking place in the classroom focusing on this paradigm shift in education.

ii)To make an effort to discuss the theory of transformation or paradigm shift from traditional class room teaching to the virtual classroom in numerous ways.

iii)To provide a platform of discussion about the pros and cons of the paradigm shift in education.

RESOURCE PERSONS.

**1.Dr. Prof. Dhrubojyoti Chattopadhyay,** Vice Chancellor, Sister Nivedita University,Kolkata.

**2.Dr. Tapan kumar Basantia,** Associate Professor, Department of Teacher Education,School of Education,Central University of South Bihar ,Gaya, Bihar.

## ABOUT THE PROGRAMME

Reality to Virtuality:  
A Paradigm Shift in Education

The profound impact of Information and Communication Technology on Education can be considered as one of the biggest achievements of the 21<sup>st</sup> century. In an age where information is easily accessible over the internet, the traditional concept of the classroom has become obsolete and expanded beyond the four walls. Today technology has been blended with new pedagogical approaches and become an essential tool to support learning. But this has not undermined the role of teachers. Instead of a storehouse of knowledge, their role has become more dynamic as the facilitator of learning. A virtual classroom has two teaching modes - synchronous and asynchronous. Both these ways of teaching are effective when used in tandem. In this era of globalization, it is necessary to change traditional ideas and embrace this new technology. The next generation is more tech savvy and the teachers too need to update themselves and utilize their creativity in motivating the students in methods attractive to them. The present webinar therefore highlights the silent revolution taking place in the classroom focusing on this paradigm shift in education.

## Summary of the Webinar

More than two hundred participants joined in the webinar through virtual mode, both YouTube streaming and Zoom platform were used to provide access to the participants. Our resource persons were Dr.T.k. Basantia Associate Professor of Central University of south Bihar, Gaya and Prof.(Dr)Dhrubjyoti Chattopadhyay, vice chancellor of Sister Nivedita University.

Dr.T . K. Basantia discussed on the topic “REALITY TO VIRTUALIT, A PARADIGM SHIFT” focusing on higher education’ in very simple and lucid manner. His presentation was very much informative which no doubt enlightened and enriched the participants.

Another speaker Prof.(Dr.) Dhrubajyoti Chattopadhyay delivered talk on “ACTUAL REALITY TO VIRTUALITY: A PARADIGM SHIFT IN EDUCATION” focusing on blended learning, flipped classroom, web based training and so on. All participants enjoyed the session and actively participated in interactive session with lots of queries quenching their curiosity relating to the point of discussion.

Our institutional Head principal madam Prof.(Dr) SimaChakrabarti, Coordinator of IQAC, Joint conveners of the webinar, faculty members of our education dept., colleagues of our college, staffs, technical assistants have worked hard and actively involved to make the webinar successful. The joint conveners conveyed the vote of thanks to all participants and all those who have directly and indirectly involved in making the programme successful.
