Fax : 2554-6500 E-Mail : mkeshyam@hotmail.com

## A Report on Seminars/ Webinars and Workshops arranged during Academic year 2018-2019 to 2022-2023

Maharani Kasiswari College has demonstrated remarkable resilience and adaptability by seamlessly transitioning to online platforms to continue its academic and co-curricular activities. Despite the constraints imposed by the pandemic, the college successfully conducted numerous webinars and online events, leveraging technology to maintain its commitment to education and student development.

From August 2018 to June 2023, Maharani Kasiswari College organized a series of impactful seminars, workshops, and awareness programs, engaging a wide audience comprising university professors, college professors, research scholars, and students. These events were meticulously planned and executed with the active involvement of the Internal Quality Assurance Cell (IQAC) and other departmental units.

Maharani Kasiswari College organized a total of 14 events between July 2018 and June 2019. These events included a variety of seminars, awareness programs, workshops, and alumni meets. The total number of participants across all events was 1518, reflecting the active engagement and participation of students, faculty, and external collaborators in the college's initiative. A total of 9 events was arranged in the academic year July 2019 and June 2020. These events included workshops, conferences, seminars, special lectures, and webinars. The total number of participants across all events was 981, showcasing the active participation and engagement of the college community even at the early phase of the pandemic.

During the COVID-19 pandemic, the college organized a significant number of webinars and online events from July 2020 to June 2021, totalling 26 distinct events. These virtual gatherings covered a wide range of topics, including health, education, commerce, philosophy, and cultural studies. Notable events included a webinar on "Artificial Intelligence in Healthcare Business" which saw the highest participation with 1,523 attendees, and various sessions on contemporary issues like the "Research Trend Analysis of COVID-19" and the impact of the pandemic on different sectors. The college adeptly utilized online platforms to maintain academic engagement and community interaction, highlighting its adaptability and commitment to education during a challenging period. **The total number of participants in all the events held from July 2020 to June 2021 is 11,647.** This underscores the remarkable level of engagement and participation in these events, even amidst the challenging circumstances of the pandemic.

During July 2021 to June 2022 the college demonstrated a robust commitment to academic and professional development, even amidst ongoing challenges. With a diverse range of topics, from travel management and microeconomics to financial markets and International Women's Day, the events saw significant participation. Notably, the seminar on the International Day of Yoga attracted the highest number of attendees at 240, while other events also drew substantial crowds, such as the special lecture on marketing management and the college-level seminar on Rammohan Roy with 50 and 115 participants respectively. The total number of participants across all events was 1,540, highlighting the significant engagement and interest from students, faculty, and external participants. This high level of involvement underscores the college's successful adaptation to virtual and hybrid formats, fostering continuous learning and community engagement during a challenging period.

From August 2022 to June 2023, our college continued to foster academic and personal development through a series of workshops, seminars, and special talks. Key events included the two-day national level workshop on the "Art of Academic Writing," which saw 225 participants, and the one-day international seminar on "Gita: Sampratikasamah" with 190 attendees. The college also organized a variety of other events, such as the state-level seminar on "Microplastics - An Invisible Disaster" with 173 participants and a workshop on meditation that attracted 93 attendees. A notable highlight was the observation of World Environment Day through a webinar, which engaged 133 participants. With a total of 1,167 participants across all documented events, the college successfully maintained high levels of engagement and interest, emphasizing the importance of continuous learning and community involvement in various fields of study.
