3.4.3 Number of extension and outreach programs conducted by the institution through organized forums including NSS / NCC with involvement of community during the last five years

N.C.C. Unit of Maharani Kasiswari College has started functioning from July 2004. Within the period it has shown promise of a full blown unit with multi-dimensional interests. Most of the cadets are since and disciplined, motivated by their urge to become physically strong and mentally independent. It is heartening to see that the students with their study are ever ready to give voluntary to the community and greater society. Some of our ex-cadets have joined services under Kolkata Police Department, Mounteneering Department, Air-service etc. and are performing their duties with excellence.

Observation of "No Tobacco Day"

For a better morning

*In summer winter or spring
Any bombing from sky up
Should immediately stop.
Let his or her house not get
Ruined which is standing yet.
Let a kid habituated to breakfast
Lunch and dinner, not be on fast.
Soldiers and common people
Themselves unwilling to staple
Their hands with guns to trigger
Shots are sobbing, worshipping for war
To end. The king wants but doesn't appear
For fighting in battle field in fear
But by aggression of neighbor's land
The king tries his country to expand
With no mercy to the mankind
In luster and cruelty combined.
May God give him a little wisdom
So many lives to live in freedom
Always for a better morning
When the happy sun is rising.*
