Observation of "No Tobacco Day"

#### For a better morning

In summer winter or spring  
Any bombing from sky up  
Should immediately stop.  
Let his or her house not get  
Ruined which is standing yet.  
Let a kid habituated to breakfast  
Lunch and dinner, not be on fast.  
Soldiers and common people  
Themselves unwilling to staple  
Their hands with guns to trigger  
Shots are sobbing, worshipping for war  
To end. The king wants but doesn't appear  
For fighting in battle field in fear  
But by aggression of neighbor's land  
The king tries his country to expand  
With no mercy to the mankind  
In luster and cruelty combined.  
May God give him a little wisdom  
So many lives to live in freedom  
Always for a better morning  
When the happy sun is rising.
