EVENT 3

TITLE OF THE EVENT: Digital Awareness Programme via Zoom.

OBJECTIVES:

- To create awareness the importance of Digital Media in the 21st Century and specially during the Covid period and lockdown in students.
- To inform them about the various types of Digital media and its judicious use to stay connected with others.

DATE AND DURATION: 18th January, 2021 from 11.00 am to 01.30 pm.

LEVEL OF THE EVENT: College Level.

NUMBER OF PARTICIPANTS: 175 students and faculty members.

DESCRIPTION OF THE EVENT:

During Covid students were forced to depend on digital means to continue their studies. However not everyone was equipped to face this nor were they aware of the various options available or how to use them. In order to make the students more tech savvy, an online programme on Digital Awareness was organised by the NSS unit via Zoom Platform. The Department of Computer Science were given the responsibility to acquaint both students and faculty regarding the digital options that could assist in the teaching learning process. The programme was inaugurated by Dr. Gobinda Mandal, Programme Officer of the NSS unit at MKC who welcomed the students and faculty members. The Principal of MKC, Dr. Sima Chakrabarti delivered the keynote address and emphasised the need to be digitally aware specially during such trying times when everyone was confined at home. Ms Arpita Sanyal, HOD of the Department of Computer Science then started the technical discussion. She discussed about the need for MOOC in digital learning. Use of tools like Google Classroom, Making of PPTs, use of Jamboard, utility of different social media as assistants to teaching etc. It was a very illuminating discussion. During the Interactive session conducted by Mr. Tanmay Sarkar, it was found that the students wanted practical demonstration of the various apps discussed. The session was concluded by Ms. Amrita Haldar, Assistant Professor, Department of Political Science with a promise to the students that another session would soon be conducted with videos and practical demonstrations discussing the various features. Dr. Anindita Hore, Assistant Professor and Head, Department of Political Science delivered the vote of thanks and ended the session.
