Brief Summary of Study Visit: The Department has been contemplating this kind of tour for long time. And finally, this study visit was possible with the help of everyone from department and specially our Principal Madam had extended her support throughout this visit. Main purpose of this visit was to introduce the students with live session of Assembly where they have come to know how the proceedings taken place. This field experience has really helped them to know what has been discussed in the book and class regarding the legislature

(Lawmaking body), speaker, members. This was really necessary for the students of Political Science.
