

REPORT ON RESEARCH CELL ACTIVITIES (ACADEMIC SESSION 2022-2023)

The main objective of the Research Cell is to explore new avenues of knowledge and promote research culture at the College. The cell encourages faculty members to undertake and pursue their research and publish their findings. They are also encouraged to participate and present papers at conferences, seminars, symposia and workshops. The Research cell strives to promote and lend vital support in enhancing the research acumen of the academicians by exhorting the faculty to utilize the existing stock of knowledge, executing strategic plan for research and devising new applications in the research driven pursuits.
