

Special Lecture on – ‘Uses and Applications of Statistics in Sociology- An Overview’, organised by Department of Sociology, Maharani Kasiswari College, Kolkata on 09.04.22.

Department of Sociology, Maharani Kasiswari College, organised a Special Lecture on the Topic – ‘Uses and Applications of Statistics in Sociology – An Overview’, on 09.04.22. The Department arranged for this Special Lecture for the benefit of the students, as it was in lieu with the pertinent syllabus. Professor Dr. Anita Mukherjee, Head of the Department of Sociology, Lady Brabourne College, Kolkata had come to deliver her Special Lecture on this day. It was a very lively lecture where the students’ involvement was noteworthy. 60 students were present in the lecture. The Special Lecture was on the topic ‘Uses and Application of Statistics in Sociology- An Overview’, an area which the students tend to avoid, because they fear Statistics. It was a grand success to see the students interacting during the speech of the Honourable Guest Professor Dr. Anita Mukherjee. The Department had also invited the interested faculties of other Departments. Faculties from Bengali, Commerce, Economics, Political Science were present in the Special Lecture session along with all the Sociology Department faculty members.
