Name of Participating Teachers for Escort of Students and Grand success of Educational Visit	Dr. Uttam Kumar Sardar Prof. Sharmistha Dhar Prof. Emily Saha Prof. Soha Hossain Prof. Riyanka Chatterjee Prof. Ritabrita Saha Prof. Avik Kumar Bayen

Educational Significance of Visit:

The M. P. Birla Planetarium is one of the most significant educational places in Kolkata, West Bengal. Students having interest in gaining knowledge about galaxy, the universe and its secrets, should visit this place. It is a single-storeyed circular structure, whose architecture is loosely styled on Buddhist Stupa of Sanchi. It is the largest Planetarium in Asia and second largest Planetarium in World. The Planetarium is popularly known as 'Taramondal' which was inaugurated on 2nd July, 1963 by the then Prime Minister Pandit Jawaharlal Nehru. The geographical co-ordinates of the place are 22°32' 43.92" N and 88°20' 42.70" E.

The Planetarium has an electronic laboratory for design and fabrication of science equipment, an astronomy gallery that has well maintained huge collection of fine painting and celestial model of renowned astronomers which enrich the astronomical knowledge of our students. It is a digital planetarium which helps our students to visualize and learn accurately the three-dimensional astronomical phenomenon from different point of view through astronomical observatory equipped with a Celestron C-14 Telescope with accessories such as STCCD camera.

The planetarium not only gives an insight into the astronomical knowledge to our students, but also serves as a valuable medium in raising our awareness and love of the eternally blue earth by deepening our understanding of the planet.
